

Your Colour Selections at Bendigo Fields

Nelson — Dark scheme

Two External Colour Palettes

The combination of colours for external finishes on our homes has been predesigned by a colour expert to ensure that colours combine well, are relatively neutral and will be pleasing to most people. To ensure that all streetscapes feature a reasonable mix, all homes at Bendigo Fields have been assigned one of the two colour palettes in advance. There is a dark scheme and a light scheme.

Three Internal Colour Palettes

The three internal colour palettes have also been designed by a colour expert to ensure that colours combine well and will be quite neutral in blending with most contemporary furniture colour combinations. Clients who place a deposit prior to construction of their villa commencing will be able to choose one of the following palettes.

Our sales office has colour sample display boards to assist you in choosing a preferred scheme.

	Calcite Scheme	Chalkstone Scheme	Zinc Scheme
Floor Tiles	Belga Ivory 450 x 450	Belga Ivory 450 x 450	Belga Ivory 450 x 450
Approved silica free reconstituted stone	Caesarstone – Osprey.	Caesarstone – Ocean Foam.	Caesarstone – Raw Concrete.
Vinyl Plank	Classic Oak – Light beige.	Seasoned Prime Oak.	Cornish Blond Oak.

Ceilings – Ceiling White.

Walls, doors, skirtings & architraves – Snowy Mountains Half.

Cabinetry doors and panels – Thermolaminate Classic White Gloss

Bathroom wall tiles and splashbacks – White Gloss 200 x 400

Kitchen splashback tiles – White Gloss 100 x 300

Roller blinds – Lovelight – Zen Bounty

All homes will feature the above colours as part of their design palette. Regardless of the internal colour option you choose, you can pick your carpet from a broader swatch of carpet colours.
